Raising up those that come before and those that come after

A platform to find and connect with all who identify as women, working in the tech industry and gain insight and guidance from their expertise - be it learning a new framework, language, negotiating salary, leadership skills or fighting for a seat at the table.

Each mentor is actively looking to mentor other women.
The payment? Leave them a LinkedIn testimonial after your mentorship.
Raising their profile and yours, one mentorship at a time.
